		Times Attending:	_____AM-		_____PM		

Tuition for September through June is divided into ten (10) equal monthly installments. Tuition is due in the office by the first day of each month. Tuition payments remain the same regardless of holidays, school vacations, family vacations, sickness, or closings beyond our control. Special tuition accommodations will not be made for any child's monthly tuition due to sickness or family vacations, as this space is reserved for your child from September through June. **If you must change or adjust your child's schedule throughout the school year, a two week written notice is required to the office.**

I agree with, and will comply with, the above conditions. I also agree to be responsible for the full tuition for the months of the school year that my child attends Over the Rainbow Nursery School.
